Dear Sir:

Applicants submitted an Information Disclosure Statement In Accordance with 37 CFR § 1.98 on November 7, 2003. That Information Disclosure Statement and accompanying Transmittal Form inadvertently listed the Serial Number as 1/676,067. The correct serial number for this patent application is 10/676,213. Applicants respectfully request that the November 7,

2003 Information Disclosure Statement be disregarded this and Corrected Information Disclosure Statement be filed in lieu thereof for consideration in patent application Serial No. 10,676,213.

Applicants submit herewith Form PTO-1449 (Modified) listing the prior art of which applicants are aware and which applicants desire to have considered by the Patent Office in accordance with 37 CFR §1.97. In accordance with 37 CFR §1.97(b)(3), this Information Disclosure Statement is being submitted before the mailing date of a first Office Action on the merits of the above-identified application.

In accordance with 37 CFR §1.97(h), the filing of this Corrected Information Disclosure Statement will not be regarded as an admission that any patent or publication or combination of patents referred to herein is, or is considered to be, material to patentability under 37 CFR §1.56(b) unless specifically designated as such.

A list of the patents and publications enclosed herewith are set forth on the attached Form PTO-1449 (Modified).

The person making this statement is the attorney who signs below on the basis of the information supplied by the inventor and the information in his file.

Respectfully submitted,

Kevin L. Russell
